

Please Join Us For Saint Peter's First Annual

# Community Eco-Forum

For Concerned and Interested  
Community Members of All Ages

Sunday, April 23, 2017

3:30 - 5:30 PM

St. Peter's Episcopal Church

121 Church Street

Phoenixville, PA 19460

The event will feature community speakers with inspiring messages and ideas for healing the earth. These special guests include:

Dr. Ana M. Negrón - "Our Plate: slowing global warming with taste"

Rabbi Sultar - "The Earth is the Lords: Faith Perspectives on the Environment"

Dr. Carol Armstrong - "The Beauty of the World in our Backyards: What we can do in our Everyday Practices to Protect it"

- There will be hands-on projects for young environmentalists and a teen screening of relevant and captivating Earth-themed documentaries

-Activities will be followed by light vegetarian snacks
