

Blessing of the Animals

Please bring your pets
to be blessed by Father Sam

Sunday, October 4 from 12 - 2 PM

Saint Peters Episcopal Church
121 Church St, Phoenixville, PA 19460

Born in the 12th century, Saint Francis of Assisi is the patron saint of animals and our environment. On Saint Francis Feast Day, celebrated in early October, animals are blessed to celebrate his love (and ours) for our magnificent four-legged and winged friends.

All Are Welcome!
